

### 148' Spools

SKU#: STRP120COB-45\*

CW-Cool White, WW-Warm White

#### PRODUCT INFORMATION:

Brilliant Brand Lighting's newest innovative LED lighting product: 120V FCOB strip lights. With FCOB (Flip Chip on Board) technology, LEDs are tightly packed together creating a brighter, more uniform look with exceptional energy efficiency. Our 120V FCOB strip lights come in a 148ft Spool, a noteworthy run length, but can be cut to size at 9.75" cutting intervals. Can be used indoors or outdoors, for commercial or residential purposes, the possibilities are endless.

#### BENEFITS:

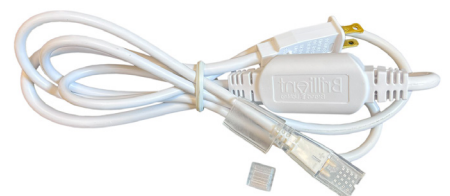

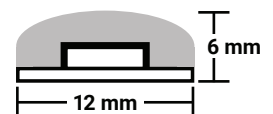

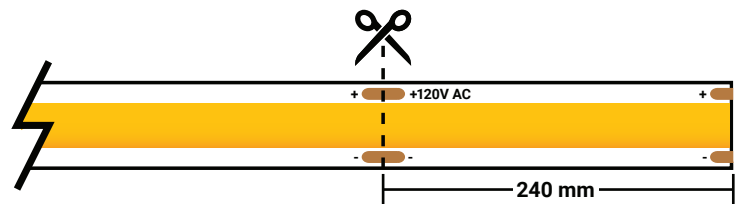

**Durability** - Built to last with high quality LEDs, these advanced light strips have superior heat dissipation and are protected in a PVC casing for greater flexibility in placement.

**Brightness** - FCOB High Density 2835 LEDs offer maximum brightness and a more uniform look.

**Applications** - Can be used in countless applications: Residential - closets, kitchens, bathrooms, patios; Commercial - store fronts, signs, awnings.

#### SPECIFICATIONS

- Input: 120V AC
- Power Consumption: 3.04 Watts/ft
- Colors: Cool White-CW (6000K), Warm White-WW (3000K)
- LED Count: 288 LEDs/m
- Lumen Output: 167-213 Lumens Per Foot
- Light Output: Directional
- Lifetime: 50,000 Hours
- Dimensions: 0.47" W x 0.24" H
- Materials: PCB with PVC coating
- Temperature rating: -22° F - 158° F
- Max run length: 148' in series
- Cutting Interval: 9.75"
- Ingress Protection: IP65-coated (with properly sealed connections)
- Dimmable: Yes, with LED compatible inline dimmer
- Warranty: 2 Years

120V Strip light Power Cord & End Cap pre-installed on all spools.
