

360° LED RGB Neon

8 Static Color Options + Dynamic Color Wheel
Red, Green, Blue, White, Orange, Yellow, Cyan, and Purple

Smart Lighting Capablity

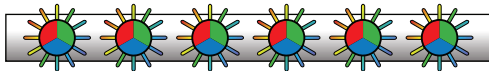

Alexa, Google Home, Smart Phone, WiFi

Multiple Lighting Effects

Jumping, Fading, and More

Adjustable Speed & Brightness

Change the effect speed or single color brightness

Features Tri-Chip Color Changing Technology

Power & Controller Options

24 VOLT CONTROLLER WITH REMOTE

24 VOLT SMART WIFI CONTROLLER

24 VOLT SMART WIFI CONTROLLER WITH REMOTE

INDOOR 8A 24V POWER SUPPLY

OUTDOOR 8A 24V POWER SUPPLY

16.4' Spools

SKU#: SNRL24-360RGB

PRODUCT INFORMATION:

Brilliant Brand RGB 360 Degree Neon Rope Light is a unique high quality, low voltage, color changing rope light. This fun rope light offers a variety of colors and effects to choose from and delivers a uniform light output in a complete 360-degree circle, with no dark spots or odd striping. Hang it, curve it, or twist it around objects to get the look you want. The 24-volt system is safe, energy efficient, and easy to use.

BENEFITS:

Quality - The proof is in the lighting. With dual layers of LEDs, this neon rope light provides true omnidirectional light output. With closely spaced LEDs, you won't see odd striping or dark spots.

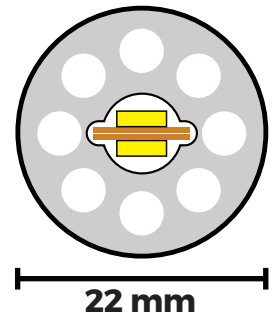

Durability - Made with a heavy-duty silicone encasement, the LED strips are nestled inside safely. A honeycomb style network of air pockets inside helps dissipate heat for a longer life span.

Flexibility - This thick and flexible neon rope light can be bent, snaked, or curved into different designs or hang it in straight lines. Create dazzling arrangements with the various color options and effects or when you combine multiple ropes.

Applications - Commercial locations - store fronts, window displays, hang in restaurants, bowling allies, etc. Residential - Have fun decorating your outdoor space like decks and patios, light up your gaming area, mancave, or she shed.

SPECIFICATIONS

- Input: 24V DC
- Power Consumption: 4.39 Watts/ft
- Colors: RGB Tri-chip color changing
- LED Count: 240 LEDs/m
- Light Output: Multi-Directional
- Beam Angle: 360°
- Bend Radius: 3.94"
- Lifetime: 50,000 Hours
- Dimensions: 0.87" W x 0.87" H
- Materials: Heavy-Duty Silicone Tube
- Temperature rating: -20° F - 130° F
- Max run length: 16.4'
- Cutting Interval: Non-Cuttable
- Ingress Protection: IP44 (IP65 with properly sealed connections)
- 24V Power supply and controller required for use, sold separately
- Warranty: 2 Years

Do not bend LED Neon rope lights at sharp angles, this will damage the internal circuitry and void the warranty.

Repeated and continuous bending of LED Neon rope lights may damage the internal circuitry and void the warranty.
